

## Potters Row, London E20

Offers In Excess Of £1,000,000 Freehold

## Description

This exceptional three-bedroom, two-bathroom end-of-terrace townhouse, designed by Stirling Prize-winning architects Haworth Tompkins, delivers contemporary family living at its finest, spanning approximately 1,438 square feet across three thoughtfully designed floors. The standout feature is the generous private outdoor space, comprising a substantial patio on the ground floor and an additional terrace on the first floor, offering multiple areas for entertaining, dining alfresco and relaxation. The end-of-terrace position ensures abundant natural light floods through the property whilst providing enhanced privacy, creating a bright and welcoming atmosphere throughout. Practical convenience is further enhanced by an allocated parking space, a valuable asset in this sought-after location.

The accommodation flows beautifully across the three levels, with the ground floor opening to a spacious reception and kitchen area that connects directly to the private patio. The first floor houses an additional reception room with terrace access, providing flexible living space that adapts to modern lifestyles. The second floor is dedicated to three bedrooms and a family bathroom, whilst a guest WC on the ground floor adds practical everyday convenience.
