Situated in the heart of Greenwich, this well-proportioned one-bedroom apartment at Brunel House offers an enviable position within one of London's most historic and culturally rich neighbourhoods. The development enjoys proximity to the renowned Maritime Greenwich World Heritage Site, placing residents at the centre of an area steeped in naval history and architectural significance.

This 623 square foot residence features a thoughtfully designed layout that maximises both space and natural light throughout. The standout feature is undoubtedly the large private balcony, which extends the living space and provides far-reaching views across the London skyline. This outdoor sanctuary offers an ideal spot for morning coffee or evening relaxation, with vistas stretching over neighbouring rooftops into the distance. The apartment comprises a well-proportioned bedroom and modern bathroom, creating a comfortable home that balances practicality with lifestyle appeal.
